

## Replace the Core, Not the Whole Furnace...

Suburban Furnace Core replacements give an alternative to pulling and replacing old and worn parts, one at a time.

Why repair a furnace with individual parts when you can simply install a furnace core?

Give your customer reliable comfort and peace of mind. Each Suburban Furnace Core replacement is backed by a Two (2) Year Limited Warranty.

## ...With a Single, Self-Contained Module

- Reduce repair costs and cycle time at the dealership
- Decrease the chances for diagnostic errors
- Increase dealer revenue
- Provide a furnace upgrade with a new 2-year warranty
